- As a H&C participant, the registering of this pest control activity contributes to your hunting attendances.
- Please use a separate form for each H&C participant and each activity to be registered.
- Activities maybe initiated by the H&C participant and undertaken on private land.
- Hunters on private land in NSW require written permission from the landholder.
- H&C participants are required to abide by the SSAA Hunters Code during feral pest control activities.  
To be counted as an attendance, please return this completed form.
